CAPABILITY STATEMENT

Services Provided What Makes Us Different

We strive to assist Federal Agencies seeking to help their employees stay current with the latest rules and requirements of federal benefits via nationwide educational workshops.

Comprehensive educational FFEBA workshops include:

- Federal Employees Retirement System (FERS)
- Civil Service Retirement System (CSRS)
- Social Security Retirement Benefits
- The Thrift Savings Plan (TSP)
- Federal Employees' Group Life Insurance (FEGLI)
- Voluntary Contributions Program (VCP)
- FERS-Revised Annuity Employees (FERS-RAE)
- FERS-Further Revised Annuity Employees (FERS-FRAE)

* Agenda and presentation provided upon request

FFEBA, a registered vendor for the federal government, strives to ensure workshop presentations adhere to the U.S. Office of Personnel Management (OPM) guidelines.

- Workers planning to retire within the next five or more years, and retired employees, will benefit by gaining a holistic understanding of their retirement benefits to help them make informed decisions and achieve their financial goals in retirement.
- We assist agency HR specialists who administer federal benefits with comprehensive training in the FERS/CSRS retirement systems and related benefits including Social Security and Medicare.
- From insurance and financial consultants, to attorneys and tax experts, FFEBA trains and certifies qualified professionals to build a nationwide network of ethical representatives highly knowledgeable in all federal retirement benefits.

History Additional Resources

Performance History
